Railroads

25X1	3.	the Bucharest newspapers that the standard-gauge, single- track rail line along the Jim River had been completed in 1949-1950.	
25X1	4.	connect northern Moldova with the USSA.	
	Gas	Pipeline	
25X1	5. [the Cluj-Bucharest gas pipeline has been completed. During World War II some gas conduits had been laid in Bucharest;	
25X1		in 1948 Since 1951 Bucharest has been supplied with methand gas and many apartment houses and homes have converted to gas for heating and	
25X1		cooking. the flow of gas was	
25X1		undependable and uneven. the use of methane gas was somehow rationed.	
	Tra	nsformer Station near Sucea Seaca 25)	K -1
	6,		
25X1		the village of Sucea Seaca is located	
25X1		near the town of Targoviste /4456N-2526E7.	
25X1		The station was in the middle	
25X1		of an oil field and housed two Dinamo-built 2,500 KVA transformers. The input was not more than 30,000 V. and the output was 6,000 V. This transformer station was connected to several smaller step-down	
		transformers within a radius of five kilometers the	
25X1		step-down transformers output	
25X1		was 1,000 or 500 V. It seemed to be in turn, connected to the electric motors of the oil drills in the vicinity.	
		some of the oil drills were run by steam power.	
25X1 25X1		most of the oil drill	
25X1		electric motors were foreign-made some were built by	
25X1		Dinamo, Bucharest.
